Reaching out to Republicans in Flower Mound and the rest of south central Denton County with information about meetings, events, and activities that may interest you; with an emphasis on meetings and activities hosted by Flower Mound Area Republican Club.....

March is finally here, even though it does not feel like it. The current forecast suggests it will OK to get out on Saturday - just in time for two important events. The first is learning about voter fraud in Texas and what you can do about it. The second is the only major fund raiser for Denton County Republican Party, which gets no money from state or national parties. Ten days later, Flower Mound Area Republican Club hosts a local candidate forum for the ninth consecutive year. In the "mark your calendar" section below, note that the Republican Assembly has Ross Kecsseg speaking this Tuesday night.

Local Candidate Forum - Tuesday, March 19

For the ninth straight year, Flower Mound Area Republican Club will host a local candidate forum at the March meeting. Reaction to the event posting on Facebook has been very strong, and past candidate forums have drawn capacity turnouts. Candidates have been offered the opportunity to buy tables. Early reservations for the buffet (probably barbecue or enchiladas) are encouraged.

Protect Your Vote Texas! - Saturday afternoon, March 9

JoAnn Fleming, president of Grassroots America - We the People is coordinating a tour of Protect Your Vote Texas! around the state. Speakers from Direct Action Texas and True Texas Elections are also participating. The Denton County stop is this **Saturday, March 9, from 1:00 to 4:00 at the Denton County Elections Office**, 701 Kimberly Street, Denton. FMARC and other area clubs are co-hosting the Denton event. There is no cost to attend, and reservations are not required. Other stops are scheduled or in the planning stage for Richardson, McKinney, Houston area, and Hill Country / Austin.

**The right to vote in a free & fair election is the most basic civil right!
The preservation of the rights of the American people depend on secure elections.
We must demand action from legislators!**

In his State of the State speech list of "emergency items," Gov. Abbott did not mention election fraud...at all. Now, his nominee for Secretary of State and the TX Attorney General are being sued by the ACLU, LULAC, MALDEF et al all because acting SOS David Whitley dared to initiate a process to identify and remove non-citizens from the voter rolls in compliance with the 1993 Congressional National Voter Registration Act! This is the first time since Republicans took majority status over state government (2003) that voter registration list maintenance has been attempted!

**That means it is up to US!
Find out what YOU can do right now!**

Lincoln-Reagan Dinner on Saturday evening, March 9

Flower Mound Area Republican Club is coordinating tables to get special pricing for club tables. Tables of 8 cost \$1000, so that is \$125 per guest. **As of this writing, FMARC may have one or two seats left, so please contact Allison Lassahn at afi1996@verizon.net for information on availability.**
