***Reaching out to Republicans in Flower Mound and the rest of south central Denton County with information about meetings, events, and activities that may interest you; with an emphasis on meetings and activities hosted by Flower Mound Area Republican Club.....***

This week I received a fund raising letter from Tom Fitton, president of Judicial Watch. It caught my interest because our speaker next week told some of us earlier this year that [Judicial Watch](#) is one of the key organizations fighting corruption and cover-up in our government. I am sure that Tom Fitton would not mind if I paraphrased just a few points of interest in his letter:

- Judicial watch investigations and litigation are uncovering an effort unprecedented in American history to drive a President from office because he represents a threat to the Deep State ("permanent government") and Washington's corrupt, leftist and elitist culture.
- Today's Deep State comprises legions of Clinton and Obama political appointees, Leftist career civil servants, and powerful private contractors who control many layers of our federal government working closely with DC establishment of both political parties - with the aid of liberal media operating as their propaganda arm.
- Fitton believes that Deep State actions constitute a direct challenge to our Republican form of government.
- The rule of law and the US Constitution are under assault by the Deep State because it is more insidious than mere partisanship and more dangerous because it is potentially more permanent. It can turn on any president who threatens its interests and survival.

I can go on and on, but you get the idea. Over sixty people have already made reservations to attend and another thirty have expressed interest through Facebook. **If you plan to attend and take advantage of the Bridlewood buffet, please take a moment now to get your reservation in before our preliminary food count is due Friday.** If you attend only one political meeting this year, this should be it. You are encouraged to car pool, especially if the weather is nice enough to bring out a lot of golfers. The near perfect weather and good turnout at our May meeting resulted in a full parking lot. With school starting that week, we

should not see as many student golfers there were in May. The current temperature forecast for Tuesday is over 100 and may keep some golfers home, so please dress comfortably.

**Russell Ramsland shares his research on the Deep State - Tuesday, August 13**

Russell Ramsland, founder of Park Cities Leadership Forum, has studied this in depth, and previously worked both in the Reagan White House and on Capitol Hill. He will put the Deep State in perspective concerning our freedom, liberty, and the constitutional republic at the August 13 meeting of Flower Mound Area Republican Club. Reservations are now being accepted through the website or email. Note that we are starting 15 minutes earlier than usual due to (1) the length of the program and (2) allowing time for our American Legion participants and Sarah Corbett to briefly share some special recent experiences.

**Meeting Sponsorship Opportunities**

FMARC remains fiscally strong thanks to sponsorships, donations, and member dues. That said, the club makes no profit on the buffet, but instead absorbs student discounts and meals for speakers. Monthly meeting sponsorships for \$150 includes recognition, buffet for up to two people, exclusive permission to place materials on dining tables, and an opportunity to speak. Please see <https://fmarc.us/sponsor-an-event/>. Sponsorship for our September meeting is pending.
