*Reaching out to Republicans in Flower Mound and the rest of south central Denton County with information about meetings, events, and activities that may interest you; with an emphasis on meetings and activities hosted by Flower Mound Area Republican Club.....*

*FMARC had a full house for Russ Ramsland's very enlightening presentation of "The Deep State." While FMARC was prohibited from recording the presentation, you can find some of the charts at <https://fmarc.us> . For September, FMARC offers something really different - a presentation geared to students on "How to Have a Civil Civic Conversation." This will also benefit adults who have opportunities to share with kids, grand kids, and other young people. The club is reaching out to student groups and area Democrat precinct chairmen to participate.*

### Constituting America presents Terry Cherry on "How to Have a Civil Civic Conversation" - Tuesday, September 10

Constituting America's mission is to educate Americans about the Constitution and the rights and liberties it provides and protects for all of us. They accomplish this through several programs, including "How to Have a Civil Civic Conversation" to be presented at the September 10 meeting of Flower Mound Area Republican Club. This will be a non-partisan event with student groups and area Democrat precinct chairmen encouraged to attend and participate. Constituting America's founder Janine Turner and her daughter Juliette Turner are expected to assist with the presentation via Google Hangout.

Due to the non-profit status of the presenters and the non-partisan nature of this program, candidates and party officials will probably not be introduced unless we get good representation from both political parties. Reservations are now being accepted through the FMARC website or email as linked below.

### **Meeting Sponsorship Opportunities**

FMARC remains fiscally strong thanks to sponsorships, donations, and member dues. That said, the club makes no profit on the buffet, but instead absorbs student discounts and meals for speakers. Monthly meeting sponsorships for \$150 includes recognition, buffet for up to two people, exclusive permission to place materials on dining tables, and an opportunity to speak. Please see <https://fmarc.us/sponsor-an-event/>. **Sponsorships have been claimed for October and November, but are available for February and April. FMARC does not accept sponsorships for candidate forums in January and March. Watch future email for possible sponsorship opportunities for the December social.**

**On a personal note...**

As I informed DCRP Chairman Jayne Howell back in April, I am resigning as Flower Mound Area Leader and Precinct 3026 Chairman effective August 31. After 40 continuous years of various leadership roles, including 33 years as a precinct chairman (Dallas, Richardson, and Flower Mound), it is simply time to let others step up. This does not impact my role in Flower Mound Area Republican Club, and I expect to continue this communication to you and over 600 interested Republicans in our area.

Richard Steenson

Flower Mound Area Leader, Denton County Republican Party (thru August 31)

VP-Communications and Past President, Flower Mound Area Republican Club
